

BRIGHT Tradeshow for Streetwear, Skateboarding, Sneaker and Fashion

Technical details for exhibitors

Build Up

- Build up Phase is from 14.01.10 – 15.01.10, 9:00 AM – 12:00 PM
- Build off is on 17.01.10, 6:00 PM – 12:00 PM
- Please schedule that there is no elevator to your disposition.
- Because of the streetcourse there are no possibilities to access the inner courtyard
- The garbage from the build up phase has to be disposed. Containers can be found in the Yard.
- The build up team has to carry clearly visible build up passes during the build up phase.

Booth Arrangement

- It's not allowed to paint the floor, door- or window border.
- Logos shouldn't be painted on the wall if you do, you'll have to repaint the booth after the show
- For coating only use wallcolour, no oil colour.
- Paint and varnish must not be disposed in the toilets. Paintbrushes and rolls are not to be cleaned in the toilets. We are afraid to inform you that any cost for rebuilding the toilet or water pipe caused by you will also be billed to you.
- Floor covering and wall hangings have to be at least B 1- heavily inflammable, according to DIN 4102-1. A certificate is needed there fore. If the exhibitor, gets in a firedepartment check and is not able to provide this certificate, we will be forced to shut the booth down. The costs for this will be carried by the exhibitor.
- Banner left or right next to the boothentrance are not allowed to exceed 1m height and 0,7m width.
- Please keep in mind not to build any constructions in the hallway which loom further than 20cm away from the walls
- If you want to drill something into the wall you'll have

to use a circuit seeker. Damage caused by you through improper handling will also be charged to your account. Especially the exhibitors who have a booth next to the toilets please take care. The pipes are close!

- There is no way that you can drill anything into the window wall because of the water pipes.

Tradeshow Handling

- The exhibitor has to provide personel at the booth from 10:00 AM to 6:00 PM
- Everybody has to leave the tradeshow at 6:30 PM because of security and insurance reasons.
- Every evening the garbage has to be put in garbagebags and should be left next to the booth. Our friendly cleaning service will dispose it for you.
- Do not use open fire, candles etc. on the booth.
- Radiant heater and air conditioning are not allowed to be used since there is a risk of overloading our power supply
- We have an open audio so there is no reason to use your own audio system on the booth.
- Build off phase starts sunday at 6:00 PM. Starting build off before 6:00 PM will not be tolerated and can be punished with a fee of 1000,- Euro. Also we won't hesitate to refuse further participation to the following Tradeshows.
- Please leave your booth like recieved. All logos, items, stickers and garbage should be removed and disposed.

We hope for your comprehension
Your Bright Team
